

SOUTH PACIFIC INTERNATIONAL ACADEMY

2024 Fee Structure

We endeavour to keep the highest quality education for the most reasonable price available. In terms of classrooms, we maintain climate-controlled classrooms, with highly-skilled teachers. We import our curriculum from overseas each year; and our fleet of school buses is maintained in as-new condition, with seatbelts on every student.

Please note that there is one difference in the 2024 Fee Structure, applying to Grades 7 and higher only. All other fees remain the same.

As mentioned in the 2023 Enrolment Period and at Orientation 2023, there is an increase in tuition for Grades 7-8 which we are anticipating to be the increase for Grades 7-12.

1. Tuition Base Rate (4-year-old to Grade 6): K16,000
(Tuition Grades 7-12: K19,000)
2. Building Levy: K2,000/family
3. Sibling Discount: K1,000 per additional student
